Lantex Film Society screening 'Nudged' Friday night

Movie shot in Wimberley to be featured

The Lantex Film Society will welcome another locally produced independent movie this Friday, Sept. 11, at 7:30 p.m.

The Film Society will screen "Nudged"— a full-length movie filmed and produced in Wimberley with a local crew and local actors.

The producer and director of the movie, Rodger Marion, will be at the theater to introduce his movie and to answer questions about it afterwards. Several of the actors from the cast also are expected to attend.

"Nudged" explores the interactions, tensions and relationships that can develop in a small community.

Viewers are invited to

come early to socialize with the producer and cast and to show support for small independent movie makers.

Membership in the Lantex Film Society is free. All are welcome.

The doors open for this screening at 6:30 p.m. All seats are \$5, with proceeds supporting independent movie making in Texas.
